

hand relief™ night renewal serum

Restorative treatment serum that helps improve the texture and tone of hands, visibly reduce the appearance of dark spots and fine, dry lines and address signs of aging

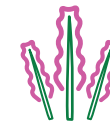

functional botanicals

- Molasses and licorice extracts help even skin tone over time
- Hydrating plant blend including andiroba oil, glycerin and organic castor oil plumps and volumizes skin to help smooth fine lines
- Salicylic acid refines skin, leaving it feeling soft and smooth

sourcing story

ANDIROBA OIL FROM MARAJO ISLAND

pure-fume™ aroma

A fresh, citrusy aroma featuring certified organic orange, lavandin and eucalyptus

texture/form

Serum

usage and application

Massage onto clean hands, and follow with Hand Relief™ Moisturizing Creme.

hand relief™ night renewal serum

Q & A

Q: Can this product be used during the day?

A: Although Hand Relief™ Night Renewal Serum was tested as an overnight restorative treatment, it can certainly be used throughout the day.

Q: Do I need to use this product in conjunction with Hand Relief™ Moisturizing Creme to experience moisturizing benefits?

A: The Hand Relief™ Night Renewal Serum formula has immediate moisturizing benefits. For additional moisturizing benefits, Aveda recommends layering it with Hand Relief™ Moisturizing Creme.

Q: How long does it take to see visible reduction in the appearance of dark spots and fine, dry lines?

A: Guests can expect to see visible results within four weeks of continued use.
